Dorothy Wolpert Named to “Top 250 Women in Litigation”

Congratulations to Founding Principal Dorothy Wolpert on her selection to Benchmark Litigation’s “Top 250 Women in Litigation” in the US for 2017. In this past year, Dorothy has focused her practice on copyright infringement, legal malpractice, probate matters, post-acquisition disputes, and entertainment cases.

According to Benchmark Litigation: "The Benchmark Litigation '*Top 250 Women in Litigation'* is the definitive guide to the country's leading female litigators. This publication's extensive research process, which encompasses six months of investigation into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the country's most distinguished women in the world of litigation.

"These women have earned their place amongst the nation's leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields."
