

Nicole Rodriguez Van Dyk Again Named Among Top Lawyers in Litigation

Partner Nicole Rodriguez Van Dyk has again been recognized in *Benchmark Litigation's* list of Top 250 Women in Litigation.

The annual list features the top lawyers in the U.S. who succeed in “some of the most impactful litigation matters in recent history, as well as by earning the hard-won respect of their peers and clients as top players in their respective fields.”

Included on the nationwide list since 2021, Ms. Van Dyk has built a sophisticated practice at the intersection of white collar defense, regulatory compliance, and complex civil litigation. A seasoned trial lawyer, she advises clients navigating parallel criminal, civil, and regulatory proceedings, spanning multiple practice areas, including healthcare-related matters, consumer fraud actions, and employment discrimination and harassment. She has also developed a nationally recognized niche practice representing cosmetics companies in high-stakes regulatory enforcement matters, including litigation arising under California's Proposition 65.
