Ariel Neuman and Jimmy Threatt Analyze FCPA Enforcement Trends Under Trump Administration

Principal Ariel Neuman and associate Jimmy Threatt co-authored the *Bloomberg Law* article "FCPA Enforcement Continues Apace Under Trump Administration." The article details the most significant FCPA enforcement trends and developments of 2019 under the Trump administration, and highlights notable FCPA resolutions by corporations in the past year. Neuman and Threatt also examine recent decisions involving the prosecutions of individuals for FCPA violations and provide insights on the future of FCPA enforcement.
