

Benjamin Gluck Presents in Webinar on Prescription Audits

Principal Benjamin Gluck presented in a webinar “Prescription Audits: When the DEA or AG Come Knocking; Anticipating and Responding to Heightened Investigations of Prescribing and Dispensing Practices,” on November 25.

The webinar addressed the increased scrutiny of healthcare providers' prescribing and dispensing practices by the DEA and states attorneys general. The webinar also provided guidance to counsel in preparing for and responding to prescription audits to ensure ongoing regulatory compliance.
