

Darren Patrick Discusses Data Privacy Law in Radio Interview

Associate Darren Patrick was featured on the KUCI 88.9 radio show, *Privacy Piracy*, to discuss his November 2020 *Daily Journal* article, “Here Comes a Wave of Data Privacy Litigation.” Patrick expands on how recent privacy legislation has begun to affect California consumers and businesses that operate in the state and the impact Proposition 24 will have on the California Consumer Privacy Act (CCPA). He also explains the complexities surrounding the recent *Schrems II* decision and the challenges it presents involving the transfer of personal data from the European Union (EU) to the United States.

Privacy Piracy is a public affairs radio show broadcast by the University of California, Irvine covering various aspects of privacy in the information age.
