Matz Speaks to Receivers on Medical Marijuana Dispensaries

Bird Marella Principal Jeremy D. Matz was a featured speaker on a panel sponsored by the California Receivers Forum on July 24, 2013.

With his recent background as a federal prosecutor for 13 years, Matz gave the federal law enforcement perspective, including criminal prosecution and civil asset forfeiture, regarding issues facing receivers and trustees who are appointed to administer medical marijuana dispensaries. Matz discussed actions that receivers and trustees can take to ensure compliance and minimize any liability.
