Paul Chan to Moderate Federal Bar Association Panel on Preparing Qui Tam Cases for Trial

Managing partner Paul S. Chan will moderate the panel, "Preparing Your Qui Tam Case for Trial," hosted by the Federal Bar Association on October 9, 2024, from 9:00 am to 10:30 am PT.

The panel will discuss "unique privilege and discovery issues raised by Supervalu; developing a game plan to effectively try a civil case involving the government as plaintiff; and deciding what role – if any – the relator should play at trial."

A seasoned trial lawyer, Mr. Chan has extensive experience litigating and arbitrating complex business disputes including cases under the federal False Claims Act.

The virtual event will feature Mr. Chan, Blanca Fromm Young of Munger, Tolles & Olson LLP, Eric Havian of Whistleblower Partners LLP, and Ross M. Cuff from the U.S. Attorney's Office, Central District of California.
