Paul Chan to Present CLE False Claims Act Webinar

On October 29, Managing Principal Paul Chan will present a CLE webinar hosted by the Knowledge Group entitled "False Claims Act and the Implied Certification Doctrine: Navigating Potential Implications on Your Firm." Chan and attorney Sandeep Nandivada of Morrison & Foerster LLP will provide an in-depth analysis of the fundamentals and recent developments of the False Claims Act and the Implied Certification doctrine. Chan and Nandivada will also present essential key compliance tools and discuss potential implications in light of the recent developments.
