

Pharmacy Audits Webinar

I am pleased to announce that I will be speaking in an upcoming Strafford live webinar, "Prescription Audits: When the DEA or AG Come Knocking" scheduled for Thursday, November 21, 1:00pm-2:30pm EST. Because of your affiliation with my firm, you are eligible to attend this program at half off. As long as you use the links in this email, the offer will be reflected automatically in your cart.

Our panel will discuss the increased scrutiny of healthcare providers' prescribing and dispensing practices by the DEA and states AG, and will give an overview for counsel in preparing for and responding to prescription audits and ensuring ongoing regulatory compliance.

After our presentations, we will engage in a live question and answer session with participants so we can answer your questions about these important issues directly.

I hope you'll join us.
