We Stand United in the Fight Against Racism and Inequality

Bird Marella's lawyers have long worked to promote civil rights, social justice and equal treatment before the law. The tragic events of the last week have once again demonstrated that racial injustice and systemic racism, especially against the Black community, remain a scourge on our society. As a firm, we condemn the senseless killings of George Floyd, Ahmaud Arbery, Breonna Taylor and others before them, and stand with all those working to bring about meaningful, necessary and lasting change.
